Dear Families,

We have a lovely couple of weeks since the last newsletter with some very focused learning both indoors and out. I have had the privilege to observe a number of super lessons this week, all focused on our pirate theme. It was great to see our Talk for Writing philosophy beginning to embed across the school.

Lottie and Harry focusing on their pirate writing!

In other news, Year One and Two have been out and about conducting a detailed mini beast survey in the local area. Year Two are now using this data to create graphs and charts in their maths lessons.

There are 4 weeks left of the summer term and there will be plenty of important learning taking place, as well as transition work in preparation for next year. Please ensure your child is in school each and every day to make the most all these opportunities 😊

INSET DAYS:

The staff team are currently working on the revised School Development Plan for the next academic year. The school has a five-year strategic plan that sets our priorities for each academic year. In the Summer Term staff INSET days are planned in-line with this plan to ensure teacher training is delivered at strategic points throughout the year. It is for this reason that our INSET days will not usually align with other schools; different organisations having different needs and priorities.

It is important to remember that families in our school send older and younger siblings to a huge number of different settings, including day care providers, child-minders, and a number of different junior schools; Surrey Hills, Holy Trinity, Tillingbourne, Belmont, Longacre, Clandon and Lanesborough to name a few. Shere School works closely with all transition schools and is unable to align with

just one.

To enable you to plan for the next academic year our INSET days will be:

Tuesday 4th September 2018, Monday 29th October 2018, Friday 15th February 2019, Monday 25th February 2019, Monday 1st July 2019.

Fond Farewells:

The end of term always brings mixed emotions and this year will be no exception as we say goodbye to two of our much-loved teaching assistants. Miss Scholes and Mrs Mills are leaving us at the end of term and will be missed by everyone at the school. Both Miss Scholes and Mrs Mills have been with the school for many years and I would like to thank them very much for their dedication to Shere and the difference they have made to children during their time here. We wish all them all the very best and know that they will be frequent visitors to the school.

The children are organising a farewell party for both ladies which we will keep under wraps for the time being. I am sure many parents will also want to say thank you; should you wish to contribute towards a gift the school office will have collection envelopes available from next week.

Hot Weather:

The weather next week is set to be very hot! Please could the children come to school with long wear sun cream already applied. Could they also please bring a sun hat and plenty of drinking water. We will of course remind them to seek shade, drink plenty, refill their bottles and put their hats on when they are going outside. Thanks so much, with your support we can make the most of the sunshine.

Holmbury Midsummer Party:

The Holmbury St Mary Bonfire Boys have been great supporters of Shere School this year and have asked us along to their Midsummer Party on Saturday 30th June. Shere School and Fox Cubs Nursery will be running a junk modelling tent so come along and see us if you are free. This is new event to promote the local community, which the school very much supports. Thanks to Becky Dougall for acting as a link for the school and Holmbury.

Best Wishes

Vicky Voller
