### Advent Windows

I hope you have received your map for our Community Advent Project.

It has been so exciting to watch as each window in lit up as we count down to Christmas.

People in the village have made such an effort to create a wonderful event for the children. It would be lovely if you could spend a bit of time searching for the windows and pointing them out to the children.

Maps are available from the School Office and local shops ☺

### Father Christmas

**Shhh! It's a secret!**

Christmas Jumper Day is taking place on **Friday 14<sup>th</sup> December.** Children should wear their school uniform but can replace their Shere sweater with a snazzy Christmas jumper!

We are expecting a special visitor in the afternoon and the children will receive a small gift.

A donation to the School of £2 would be gratefully received.

### Last Day of Term

The last day of term for the school and nursery is **Wednesday 19<sup>th</sup> December; we will break up at 1.30pm. Nursery will break up at 3pm.**

We will be celebrating with an end of term service at St James Church in Shere at **9.30am** – please come and join us as we give thanks.

### Nativity at the Cathedral

Year One and Fox Cubs Nursery have made beautiful angels which will be on display at Guildford Cathedral until 7<sup>th</sup> January. Please do visit or join in their family fun day this weekend.

A note about nativity plays – this year the staff team made the brave decision to let children lead their plays. This means that we haven't taken hours out of curriculum time to rehearse! Our plays this year will reflect the nature of our children; fun loving, honest and from the heart! If you are expecting the West End you will be sorely disappointed, but I really hope you will appreciate that our plays this year have children at their heart and reflect the true spirit of Christmas.

Finally, I am sad to announce that Claudia has decided to stand down from her post as Chair of the PTA. What a loss this is to us at School; she has been tremendous and has achieved so much. It has been an absolute pleasure to work with Claudia during her term, she is always so enthusiastic and has hosted some incredible events. Through her hard work our school environment is enriched to the benefit of everyone in Shere.

This leads me onto an obvious question... what now? Shere School, like all schools, has a desperately tight budget and this does not look like improving in the near future. However uncomfortable I might find asking, fundraising is essential – we simply can't survive without it. I will be writing to you again in the new year in the hope that, together we can find some workable solutions. In the meantime, if you fancy taking your turn on the PTA please speak to me!

A final huge thank you to Claudia and to all those that help regularly and with such enthusiasm for our little school.

Best Wishes
